## Setina Weapon Mount with M4 Rifle and 870 Shotgun

Version 1.0

### Credits

- Weapon mount and 870 shotgun modeled and textured by Cj24, M4 rifle modeled and textured by Kane104.

### Terms of use

- You may use and modify this modification and redistribute your work under the condition that complete and correct credits are given, listing all authors and their contributions. Unlocked versions of this modification may only be redistributed if you include these terms of use and a link to the original download.
- **Kane104's M4 rifle may not be used commercially.** Commercial use of the mounts and the shotgun is only allowed if credits as described above and a link to the original download are displayed before purchasing and are included with the download.
- You may not convert or port this modification to other games or platforms without permission.
