Discuss the mod and stay updated on [modding-forum.com](http://modding-forum.com).

**Version** 1.11

### Credits

Better License Plates by Cj24.

### Terms of use

You may modify this modification and redistribute your edited work provided that correct credits and a link to the original download are given.

### Installation

**Recommended – Automatic installation with LML (Lenny's Mod Loader)**

Copy the mod's folder and its contents into your GTAV\lml folder.

### Manual Installation

If possible, use OpenIV's mods folder instead of replacing original files!

Use OpenIV to add the vehshare.ytd folder to

\update\x64\dlcpacks\patch2023\_02\dlc.rpf\x64\levels\gta5\vehicles.rpf.

If you already use a mod that modifies the vehshare.ytd or if a more recent version has been included in a game update, open it in OpenIV and replace the textures with those you want to use in the Optional Files\Loose Textures folder.

### Notes

An optional version without expiration stickers is included.
